PROJECTS

Tic tac toe using C

Mar 2026

Developed a console-based Tic Tac Toe game using C programming language with interactive user input and game logic implementation. Applied concepts like conditional statements, loops, functions, and arrays to manage game flow, validate moves, and determine winning conditions. Strengthened problem-solving and logical programming skills through this project.

SKILLS

- Video Editing
- Python
- Data Structures
- JavaScript
- Graphic Design
- C++ Programming
- HTML 5
- PHP
- Advanced Excel
- C Programming
- CSS
- MySQL

- Database Management System (DBMS)
